

AUTHORIZATION & RELEASE FOR ALL 2023 SUMMER PROGRAMS

Required for EACH CHILD attending a Camp Nageela West program

CAMPER NAME (FIRST & LAST)

_____ DOB _____ Session Name

ACKNOWLEDGEMENT OF RISK

Camp Nageela has taken reasonable steps to create a physically and emotionally safe environment for all program participants so each camper can enjoy the overnight camp experience. Camp Nageela h as also informed me that participation is not without risk. Certain risks are inherent in each activity and cannot be eliminated without destroying the unique character of the activity. Camp Nageela does not want to reduce our family's enthusiasm for the camping experience, but believes it is important for us to know in advance what to expect and to be informed of the inherent risks. The following describes some, but not all, of those activities and resulting risks.

The camping experience involves activities, including but not limited to backpacking, hiking, swimming (pools, lakes, rivers, and other natural bodies of water), challenge ropes course and other wilderness experiences; transport in camp-designated vehicles to and from camp for programs and off-site trips; group living arrangements and social interactions that may be new or unfamiliar to my child. Camp Nageela is located in a mountainous, remote setting with varying weather conditions, plants, wildlife, insects and rugged terrain where access to advanced medical care can be delayed. The above activities and conditions, as well as others not mentioned, can result in personal illness, bodily injury, damage to personal property, or in extreme cases, death.

I am aware of these risks and I assume them on behalf of my child. I understand that risk is inherent in the camp experience and I certify that my child is fully capable of participating in all of the activities camp offers and I authorize my child to participate fully. I further authorize CNW to use all photos or quotes taken during the camp session for online or print promotional purposes.

PARENT AND CAMPER GUIDEBOOK

I have read the Parent Guidebook in detail and discussed it with my child, paying special attention to the following sections:					
 Medications 	 What Not to Bring 	Covenants & Contracts	Bunking	Photos	

I have instructed my child on the importance of abiding by the camp's rules, policies, and procedures, including those outlined in the Parent and Camper Guidebook, and all other required forms. My child and I both agree that he or she is familiar with these materials and will abide by them.

FAMILY CONTACT INFORMATION AUTHORIZATION

I hereby certify that all family and other information included in my camper's forms are, to the best of my knowledge, accurate and complete. I authorize Camp Nageela to contact me should any special circumstances arise. In the case of an emergency when I am not available, I authorize Camp Nageela to contact those designated as my emergency contacts, and if necessary, to make decisions based on their discretion.

MEDICAL INFORMATION AUTHORIZATION AND RELEASE

My child's health history is correct so far as I know. My child has permission to engage in all prescribed camp activities except as noted by me and the examining physician.

I hereby give permission to the medical personnel selected by the camp directors to provide routine health care, to administer medication, order Xrays, tests, treatment, and provide or arrange necessary transportation for the health of my child. In the event I cannot be reached in an emergency, I hereby give permission to the physician selected by the camp to hospitalize, secure proper treatment for, and to order injections and/or anesthesia and/or surgery for my child as named above. I grant camp personnel permission to contact my child's therapist (if applicable) regarding medical information in case of an emergency or urgent situation.

I authorize any physician, nurse or other health care provider, to communicate with the medical staff and directors of Camp Nageela or his/her designee, about my child's medical condition, treatment, and/or prognosis. I further authorize the camp medical staff to discuss any medical conditions with the directors, their designee, or the child's counselor when the medical staff, in its sole discretion, believes such communication to be in the best interest of the child. I authorize camp staff to dispense common OTC medications (Advil, Tylenol, etc.) at their discretion.
